

This Privacy Policy has been compiled to better serve those who are concerned with how their Personally Identifiable Information (PII) is being used on this website. Please read this Privacy Policy for the web site and the Practice Notice of Privacy Practices documents carefully to get a clear understanding of how we collect, use, handle and protect your Personally Identifiable Information. We take appropriate steps to protect your personal information while you are on this website. We do not provide your personal information to other companies without your permission.

Personal Information

We collect only that information that we need in order to maintain a high level of service to you. During your visit to this website, we gather personally-identifiable information where you voluntarily provide it. When you fill in a form on the website, we collect that information. None of it is saved, and you would have to upload all of the information with every transaction, including anything that is done by automatic payments.

How do we protect your information?

We implement a variety of security measures when a user enters, submits, or accesses their information to maintain the safety of your personal information. Our website is scanned on a regular basis for security holes and known vulnerabilities in order to make your visit to our site as safe as possible. We utilize Malware Scanning.

Your personal information is contained behind secured networks and is only accessible by a limited number of persons who have special access rights to such systems, and are required to keep the information confidential. In addition, all sensitive/credit information you supply is encrypted via Secure Socket Layer (SSL) technology.

Cookies

Cookies are small files that a site or its service provider transfers to your computer's hard drive through your Web browser (if you allow) that enables the site's or service provider's systems to recognize your browser and capture and remember certain information. We may use the information provided by cookies to analyze trends, administer the website, or for research purposes.

Third-Party links

We do not include or offer third-party products or services on our website. The website contains links to other information websites belonging to other sites of interest to our patients and users. We do not control the privacy practices of these other sites.

Fair Information Practices

The Fair Information Practices Principles form the backbone of privacy law in the United States and the concepts they include have played a significant role in the development of data protection laws around the globe. Understanding the Fair Information Practice Principles and how they should be implemented is critical to comply with the various privacy laws that protect personal information. In order to be in line with Fair Information Practices we will take the following responsive action, should a data breach occur, and we will notify you via email or phone call within 7 business days.

We are open to receiving comments and questions about this Policy. You may contact us any time by email or by calling us at any of our locations. This policy was updated January of 2021, and we may modify it from time to time. The new provisions become effective as soon as they are posted. Feel free to check this page on occasion to be aware of any changes.
